## UX/UI Designer

### EXPERIENCE

#### UI/UX Designer

Ping d.o.o

May 2023 - October 2025 - 2 years, 5 months, Sarajevo

Led the design of intuitive and visually compelling mobile banking interfaces for the ELBA group, including complete redesigns of BBI Bank and ASA Bank apps. Focused on optimizing user interaction and ensuring a seamless in-app experience.

#### UX/UI internship

Atlantbh

March 2023 - April 2023 - 1 month, Sarajevo

As a intern I learned how to create user experiences and interfaces that are intuitive, easy to use and visually pleasing. The internship involved using design processes and methodologies commonly used in the industry, such as user research, framing, prototyping and user testing.

#### Volunteering

Red Cross, Sarajevo film festival (SFF)

2015 - 2017 - 2 years, Bosnia and Herzegovina

- I volunteered with the Red Cross, organizing a donation weekend to collect food and clothing for flood victims in Bosnia and Herzegovina.
- I volunteered at Cinema Meeting Point, assisting guests at the Sarajevo Film Festival to ensure they felt welcome and had a smooth experience.
