Subject: Request for Internship

Dear Sir/Madam,

Amrit Campus has highly valued contribution to our students in providing the opportunity to get intern-facility in your institution.

Mijahla Shakya is a student at Amrit Campus currently studying B.Sc. CSIT (Bachelor of Science in Computer Science and Information Technology) at Sixth Semester. She has good performance in college and has a leading role in the software development projects provided by the college. She has also been actively participating in organizing programs to share up and down trends in Computer Science. As our experience, he/she is honest, sincere, disciplined, hardworking, enthusiastic, and fast learner.

We would like to recommend **Mijahla Shakya** to your company for an internship and any assistance regarding her further academic progress would be the matter of pride and appreciation to this college.

We expect your invaluable support for providing internship to our students in your institution, and we believe that you would kindly co-operate us.

We wish his/her all the best.

Sincerely,

.....
